Kent Kern, Superintendent
San Juan Unified School District
3738 Walnut Avenue
Carmichael CA 95608

May 9, 2020

Dear Mr. Kern,

I am appalled that you have chosen to exploit our children and use the circumstances of the current pandemic to further your institutional agenda.

Whether you acted from thoughtless ignorance or malicious malevolence is immaterial, *you do not force children who have been placed in your care to sign contracts under duress.*

You owe my son Joshua a personal, signed, unqualified, written apology for your despicable action. Not only did you cause him distress, but what you have done is nothing short of grooming the children in your care for future exploitation by the “just click Agree” surveillance capitalist culture.

Please step up and offer some respect and privacy to your students *at least* to the extent mandated by law.

Sincerely,

Ron Risley MD
